**Tony Bennett**

A Nightingale Sang In Berkeley Square  
As Sung by: Tony Bennett  
From the CD: Perfectly Frank

Transcribed by Mark Craft.

Note: This is all my own work and only an approximation of the song as interpreted by Tony. It is not in Tony's key -- and I'm no Ralph Sharon!

That [C7] certain [Am] night, the [Em] night we [C7]met  
There was [F] magic a[E7]broad in the [Am] air [Fm6]  
There were [C7] angels [G7]dining [C7]at the [Fm6]Ritz  
And a [C7]nightingale [Am] sang in [Dm7]Berke[G7]ley [C7] Square

[short bridge, try **B7, G#m, F#7**]

I may be right, I may be wrong  
But I'm perfectly willing to swear  
That when you turned and smiled at me  
A nightingale sang in Berkeley Square

[short bridge, try **B7, G#m, Bb7**]

[chorus]

[E] The moon that [C#m7] lingered over [F#m] London [B7] town  
[G#m7] Poor puzzled moon, [F#m7] he wore a [B7] frown  
[E] How could he [C#m7] know we two were [F#m] so in [B7] love  
[G#m7] The whole darned world seemed [Dm] upside [G7] down

The streets of town were paved with stars  
It was such a romantic affair  
And as we kissed and said goodnight  
A nightingale sang in Berkeley Square

[Repeat chorus with vocal or instrumental break]

My homeward steps were just as light  
As the tap dancing feet of Astaire  
And like an echo, far away  
**G#** [B7]nightingale [G#m] sang in [C#m7]Berke[F#7]ley [B7] Square  
I [Dm7] know cause [G7] I was[Em7] there [Dm7]  
That night in [G7] Berkeley [C] Square  
[hit chord on each word]  
[B7] I [B7] was [B7] there [B7]
