

Fly me to the moon  
Tony Bennett

**Bm7**                    **Em7**  
Fly me to the moon

**A7**                    **Dmaj7** - **D7**  
And let me play among the stars,

**Gmaj7**                    **C#m7/5-**  
Let me see what spring is like

**F#7**                    **Bm7** - **B7**  
On Jupiter and Mars;

**Em7**                    **A7**                    **Dmaj7**                    **F#m7** - **B7**  
In other words, hold my hand

**Em7**                    **A7**                    **C#m7/5-** **F#7**  
In other words, darling, kiss me.

**Bm7**                    **Em7**  
Fill my heart with song,

**A7**                    **Dmaj7** - **D7**  
And let me sing for ever more;

**Gmaj7**                    **C#m7/5-**  
You are all I long for,

**F#7**                    **Bm7** - **B7**  
All I worship and adore.

**Em7**                    **A7**                    **C7**                    **F#m7/5-**                    **B7**  
In other words, please be true;

**Em7**                    **A7**                    **D**                    **Ebdim**                    **Em7**                    **A7**  
In other words, I love you.

(Second time)

**Em7**                    **A7**                    **D**                    **Gdim**                    **Dmaj7**  
In other words, I love you.
