

Red Neck Women  
Tony Joe White

Tony Joe White - Red Neck Women

(Intro: **G#**)

G#	C#	G#
She had disco sucks on the front of her T-shirt		

Eb

A long-neck bud in her hand

By the way she was moving I knew she wasn't fooling

G#

So I walked on over to her  
G#7
C#  
 And asked her if she cared to dance

**E♭**  
And then she juggled up a beer and whispered sweetly in my ear  
**G♯**

**C#** **E** **F#** **G#**  
 Ah them red-neck women they ll cut you down to size  
**C#** **E** **F#** **G#**  
 Yeah them red-neck women they got that four wheel drive

We held each other close and danced to the slow ones  
Partied on into the night  
The smoke was getting thicker and my pulse was beating quicker  
So I asked her if she cared to take a ride  
And I kept looking in her eyes  
Hoping she would give me a sign  
But she said honey I don t mean to push  
But let s quit beating around the bush  
Is it gonna be your place or mine?  
Ah them red-neck women they love to get it on  
Yeah them red-neck women they party all night long  
Yes them red-neck women they ll cut you down to size  
Yeah them red-neck women they got that four wheel drive
