Tony Joe White - Yo Yo Man

**E** (7)

He s got fire in his britches and  
Love in his eyes  
He s playing it cool  
But she sees his diguise

**A7**

She can t figure it out

**G** **E**

But she understands

**D**

He takes her up and down

**A** **E**

He s her yo yo man

**E**

There s a chill in the air  
Paralized by the night  
A change going down  
But that s alright

**A7**

They re working it out

**G** **E**

They understand

**D**

They re up and down

**A** **E**

Got a yo yo man

She s got his number  
She can pull his string  
Walk his dog  
She can do anything

He can t figure it out  
But he understands  
She takes him up and down  
He s her yo yo man
