

## Always

Tony Lucca

this song is one of my favorites and just an amazing song overall. tony wrote this song about his newborn baby. there are hammer-ons and such that you can listen for in the song and they are really easy to pick up on.

Always: Tony Lucca

Capo: 4

V1:

**C** **Fmaj7**  
Wish I could tell you what s going through my mind

**C** **Fmaj7**  
Wish I could promise it s gonna be just fine

**C** **Fmaj7**  
One thing s for certain, till the end of time

**Am** **G** **Fmaj7**  
I m gonna love you like no one will ever love you

**Am** **G** **C**  
Yes, I m gonna love you always

V2:

(same chords as verse 1)  
Wish I could tell you dreams always come true  
But lovers and strangers will never get the best of you  
For better or worse now we always get what s due  
So I m gonna love you like no one will ever love you  
Yes, I m gonna love you always

Bridge:

**Am** **G** **C**  
I m gonna love you more than words

**Fmaj7** **Am**  
And stars and tears and grains of sand

**Fmaj** **G**  
Best I can for good

V3:

(same as verse 1 and 2)

Wish I could hold you and never let you go

Wish I could show you everything you ll ever need to know

Best I can do is give you freedom to grow

And I m gonna love you like no one will ever love you

Yes, I m gonna love you always
