

Wondering Boy Poet

Tony Molina

**C** **Am**  
Dream on, child of change

**Em** **F**  
Throw your javelin through the sun

**C** **E** **Am**  
Pierce the heart of everyone

**Em** **F**  
Though we push to slave the days

**G**  
This is not reality  
This is just formality

**F** **Am**  
The cup is only being filled

**F**  
For the chance to have it spilled

**C** **Am**  
Flowing just like the days

**Em** **F**  
Sailing just like the days

**G**  
Flowing just like the days  
Sailing just like the days

**C** **A**  
Flowing just like the days

**Em**  
Sailing just like the days
