

**Any Old Time**

**Tony Rice**

**C**  
I just received your letter  
**F** **C**  
You re down and out you say  
**F** **C**  
At first I thought I would tell you  
**D** **G**  
To travel on the other way  
**C**  
But in my memory lingers  
**C7** **F**  
All you once were to me  
**F** **C**  
So I m gonna give you one more chance  
**G** **C**  
To prove what you can be  
**C** **C7**  
Any old time you wanna come back home  
**F** **C**  
Drop me a line and honey say no more you ll roam  
**G** **C**  
You had your chance to play the game fair  
**D**  
When you left me sweetheart  
**G**  
You only left a love who cared  
**C**  
Now that you re down  
**F** **C**  
I m gonna stick by you  
**F** **C**  
If you would only tell me  
**D** **G**  
Your roaming days are through  
**C** **C7** **F**  
You ll find me here like the day you left me alone  
**C** **G** **C**  
Any old time you wanna come back home
