D# A# C
like a child i can sit in the corner
G# D# A#
with these pills i can barely get by
D# A# C
so i wait for the hour of approval
G# A# D#
ten minutes until it s five

D# A# C
and it s friday, so i don t feel so lonely
G# D# A#
i know the wolves are out tonight
D# A# C
the sound of ice in a bottomless glass
G# A# D#
tells me that all that is fine

C G#
playing guitar and i m forgetting words
D# A#
like a baby who just learned to speak
C G#
unfinished songs that i swear i d get done
D# A#
but the premise was just kind of weak

D# A# C
like the moon you are cold, you are distant
G# D# A#
like the sun i can burn through the day
D# A# C
in the valley the echo gets longer
G# A# D#
they ve all gone away

C **G#**
playing guitar and i m forgetting words
D# **A#**
like a baby who just learned to speak
C **G#**
unfinished songs that i swear i d get done
D# **A#**
but the premise was just kind of weak

D# **A#** **C**
there is time to reflect and ponder
G# **D#** **A#**
as the chips fall where they may
D# **A#** **C**
i will live for the sake of others
G# **A#** **D#**
so they can do the same
