E F# A B

E B C#
like a child i can sit in the corner
A E B
with these pills i can barely get by
E B C#
so i wait for the hour of approval
A B E
ten minutes until it s five

E B C#
and it s friday, so i don t feel so lonely
A E B
i know the wolves are out tonight
E B C#
the sound of ice in a bottomless glass
A B E
tells me that all that is fine

C# A
playing guitar and i m forgetting words
E B
like a baby who just learned to speak
C# A
unfinished songs that i swear i d get done
E B
but the premise was just kind of weak

E B C#
like the moon you are cold, you are distant
A E B
like the sun i can burn through the day
E B C#
in the valley the echo gets longer
A B E
they ve all gone away

C# **A**
playing guitar and i m forgetting words
E **B**
like a baby who just learned to speak
C# **A**
unfinished songs that i swear i d get done
E **B**
but the premise was just kind of weak

E **B** **C#**
there is time to reflect and ponder
A **E** **B**
as the chips fall where they may
E **B** **C#**
i will live for the sake of others
A **B** **E**
so they can do the same
