D E G A

D A B
like a child i can sit in the corner
G D A
with these pills i can barely get by
D A B
so i wait for the hour of approval
G A D
ten minutes until it s five

D A B
and it s friday, so i don t feel so lonely
G D A
i know the wolves are out tonight
D A B
the sound of ice in a bottomless glass
G A D
tells me that all that is fine

B G
playing guitar and i m forgetting words
D A
like a baby who just learned to speak
B G
unfinished songs that i swear i d get done
D A
but the premise was just kind of weak

D A B
like the moon you are cold, you are distant
G D A
like the sun i can burn through the day
D A B
in the valley the echo gets longer
G A D
they ve all gone away

B **G**
playing guitar and i m forgetting words
D **A**
like a baby who just learned to speak
B **G**
unfinished songs that i swear i d get done
D **A**
but the premise was just kind of weak

D **A** **B**
there is time to reflect and ponder
G **D** **A**
as the chips fall where they may
D **A** **B**
i will live for the sake of others
G **A** **D**
so they can do the same
