F G Bb C

F C D
like a child i can sit in the corner
Bb F C
with these pills i can barely get by
F C D
so i wait for the hour of approval
Bb C F
ten minutes until it s five

F C D
and it s friday, so i don t feel so lonely
Bb F C
i know the wolves are out tonight
F C D
the sound of ice in a bottomless glass
Bb C F
tells me that all that is fine

D Bb
playing guitar and i m forgetting words
F C
like a baby who just learned to speak
D Bb
unfinished songs that i swear i d get done
F C
but the premise was just kind of weak

F C D
like the moon you are cold, you are distant
Bb F C
like the sun i can burn through the day
F C D
in the valley the echo gets longer
Bb C F
they ve all gone away

D **Bb**
playing guitar and i m forgetting words
F **C**
like a baby who just learned to speak
D **Bb**
unfinished songs that i swear i d get done
F **C**
but the premise was just kind of weak

F **C** **D**
there is time to reflect and ponder
Bb **F** **C**
as the chips fall where they may
F **C** **D**
i will live for the sake of others
Bb **C** **F**
so they can do the same
