

## Dark Corner

Tony Sly

Tony Sly - Dark Corner

**Dm**

Wrote this when I was 39

**Bb**

Still in my head but out of mind

**F**

**A**

But there is something inside I cant resolve

**Dm**

A portrait of a perfect life

**Bb**

Two lovely kids, a loving wife

**F**

**A**

A servant to the things I cant control

**Bb**

**F**

In this heart there is a dark corner

**C**

**Am**

With a space for everyone

**Bb**

**F**

I give it all and try until my river is dry

**C**

**Bb**

**F**

But i feel like less when everyone moves on

**Dm**

I wonder if Ive spent my days

**Bb**

Trapped in an adolescent cage

**F**

**A**

Just pondering the future of us all?

**Dm**

Stated opinion, given back

**Bb**

The best that I can, stay on track

**F**

For most of it I cant remember

**A**

Where we took the fall?

**Bb**

**F**

In this heart there is a dark corner

**C**

**Am**

With a space for everyone

**Bb**

**F**

I give it all and try until my river is dry

**C**

**Bb**

**F**

But I feel like less when everyone moves on

**C**

**Bb**

**F**

Yes I feel like less when everyone moves on
