

Flying South
Tony Sly

 E B C#m G#m
If I could sleep tonight then we wouldn't have to fight
 C#m G#m F#m B
About nothing going right so tell me what to do
 E B C#m G#m
Should I write you a song about two minutes long?
 C#m G#m F#m B
Not enough time to explain may be enough for you
 C#m A E B
You see that I am flying south for the winter once again
 C#m A B
I feel like I am bailing out on my only friend
 E B C#m G#m
Aside from all the things we do to make each other blue
 C#m G#m
Can you forgive me again?
 F#m B
I am the one to blame
 E B
You've been there all the time
 C#m G#m
I'm a missing person sign
 C#m G#m F#m B
But I hope that we can find all that we have misplaced
 C#m A E B
You see that I am flying south for the winter once again
 C#m A B
I feel like I am bailing out on my only friend
 C#m A E
I am like the wind in your sinking sailboat
 F#m A Am E
Stuck at the dock without you
 E B C#m G#m
If I could sleep tonight then we wouldn't have to fight
 C#m G#m F#m B
About nothing going right so tell me what to do
 E
Please tell me what to do
