[Verse 1]

D E
I can t even think of words to match the way I m feeling.
F#m A
I don t even think a book could say enough for you.
D E
I can only try my best to put it in a song, I guess.
D E
You try to speak, I know you tell the truth.

[Verse 2]

D E
If I could freeze our small amount of time together,
F#m A
Then we could make believe this world would never end
(make believe this world would never end).
D E
Unfortunately truth is cold, so you stay young while I get old,
D E
But always know I m your best friend.

[Chorus]

A C#m
Nothing is the same, everything is a better change.
F#m E D
Sometimes I see silence in your eyes.

And I m as scared as anybody who has done this.
F#m A
But you know I wouldn t give it up for nothing, Fi

You took my life, turned it around, and put my feet back on the ground.

I owe you eternally.
