Tuning â€" Standard (Capo 1)

[Intro]

B Ebm Am F# E / B Ebm G#m F# E F#

[Verse 1]

I can t even think of words to match the way I m feeling.
I don t even think a book could say enough for you.
I can only try my best to put it in a song, I guess.
You try to speak, I know you tell the truth.

[Verse 2]

If I could freeze our small amount of time together,
Then we could make believe this world would never end
(make believe this world would never end).
Unfortunately truth is cold, so you stay young while I get old,
But always know I m your best friend.

[Chorus]

Nothing is the same, everything is a better change.
Sometimes I see silence in your eyes.
Let it all crash down, when it ends it begins with you.
I m gonna learn every time you do.

[Verse 3]

And I m as scared as anybody who has done this.
But you know I wouldn t give it up for nothing, Fi
(wouldn t give it up for nothing, Fi).
You took my life, turned it around, and put my feet back on the ground.

I owe you eternally.
