

On The Outside
Tony Sly

A. Maltopol presents:

No Use For a Name

ON THE OUTSIDE

(First song I find tabs for, bear with me please)

Em (ending of previous song)

Ebm

I ll see you on the outside

B

And we ll never be the same

G#

After all that s happened

Bb

What it is that we ve gained?

Ebm

I ve made mistakes before

B

And never lived them down

F#

C#

Bb

After all you ve done for me I m bound

Bb

(Don t say another word)

B

F#

To see you on the outside

C#

Where we can both feel shame

C#

B

(You re speaking for yourself)

F#

I am bleeding on the inside

C#

A place you might have been

B

F#

Bb

But now I know I ll never be the same

Ebm

I heard you got a new place

B

And it s far away from here

G#

Reality has sunken in now

Bb

Confirming all my fears

Ebm

I am not gonna drag you down

B

But it s too late to stop

F# **C#** **Bb**
Thinking about the time that we have lost

B
(I am happy without you)

F#
I am trying to forget you

C#
And everything we ve had

B
(We didn t stand a chance)

F#
When miserable it is true

C#
We haven t learned a thing

B **F#** **Bb**
But now I know I ll trust no one else

B **F#** **C#**
There was a time when we were back and forth

C#
It wasn t easy

B **F#** **C#**
I guess we re back where we belong

E# **C#** **B**
One thing is for sure it wasn t strong

B **F#**
I ll see you on the outside

C#
Where we can both feel sane

B
(You ve never been more right)

F#
I am dying on the inside

C#
You re never coming back

B **F#** **Bb**
And now I know whatever we go through

Ebm B G# Bb Ebm
My heart is stuck with you
