Intro
_____

```
G|--------------------(5)-----7-7----------------------------------------
---|
D|---(5)(5)---(7)(7)----------------------------(5)(5)-(7)(7)----------16-16---
---|
A|-7--------7--------7-----5-5-----5~~~~~~~~~~-7-------7------7/14-14-14-----14=
==|
D|-------------------------------0~~~~~~~~~-----------------------------------
---|
```

Once the guitar moves in to support the song, go to this
```
G|-------------------|
D|-12~~~14~~14-9-9-9--|
A|-10~~~12~~12-7-7-7--|
D|-------------------|
```

Slow Riffs
```
G|---9--11--14|
|---9--11---11-------|---9--116-116---------|
D|-9----------|        OR
|-9------11---11-----|-9--------------------|
A|------------|
|-------------------|---------------------|
E|------------|
|-------------------|---------------------|
```
   The way he does this song is hard to tab because of the effect the song has in
the music, so it s either one of this, both sound fine to me!
