Baby doll

[VERSE](same as before)

Don t be cruel, don t leave me hangin

On a wire, my heart s on fire

Don t make me beg now pretty please

Streets look good when you're in the front seat
Motor runnin , bird is hummin
Right here beside at the wheel

With her by my side nothing's missing
I turn my wheels ahead
And with a smile I press my right foot down

[CHORUS]
Baby doll
You need some rock & roll
You need someone to hold you
On a cold and lone some night
Baby doll-doll-doll
Rock and roll-roll-roll over here
Now bring it, bring it over here
Baby doll

[BRIDGE] (unsure about this part)
Am(one strum)
Baby my ride is gonna take you high
 F(one strum)
Straight down Rocky Road
And then we ll hit the sky
C(one strum) **G**(one strum)
Tonight, oh yes tonight
Am(one strum)
Gonna steer us steady down Lovers Lane
F
Up to Seventh Heaven
And then back again
C
Up to Seventh Heaven and then back again
E
Tonight

(quiet)
Oh-ba-by doll-doll-doll
Rock and roll-roll-roll
Over here now, bring it, bring it over here

[CHORUS]
Baby doll
You need some rock & roll
You need someone to hold you
On a cold and lone some night
Baby doll-doll-doll
Rock and roll-roll-roll over here
Now bring it, bring it over here
Baby doll
