

Lover brother Bougainvillea

**Fm** **G#**

My vine twists around your need

**A#m** **D#m**

Even the rain is sharp like today

**C#** **G#**

As you sh-sh-shock me sane

**A#m** **D#m**

No cigarettes, only

**Fm** **G#**

peeled Havanas for you

[Chorus]

**A#m**

I can be cruel

**Fm** **F#**

I donâ€™t know why

**G#** **A#m** **C#**

Why canâ€™t my balloon stay up

**F#** **G#**

In a perfectly windy sky?

**A#m**

I can be cruel

**C#** **D#m**

I donâ€™t know why

**Fm** **A#m**

I donâ€™t know why
