Tori Amos

**Gm** **Eb**  
In my platforms, I hit the floor

**Bb** **F**  
Fell face down, didn't help my brain out

**Gm** **Eb**  
Then the baby came before I found

**Bb** **F** **Gm**  
The magic how to keep her happy

**Eb** **Bb** **F** **Gm**  
I never was the fantasy of what you wanted me to be

**Eb** **Bb**  
But don't judge me so harsh little girl

**F**  
So you got a playboy mommy

**Gm** **Eb**  
But when you tell them my name

**Bb** **F** **Gm**  
You wanna cross that bridge all on your own

Little girl they'll do you no harm

**F**  
Because they know your playboy mommy

**Gm** **Eb**  
But when you tell them my name

**Bb** **F**  
From here to Birmingham, I got a few friends

**Gm** **Eb**  
You seemed ashamed, ashamed that I was

**Bb** **F**  
A good friend of American soldiers

**Gm** **Eb**  
I ll say it loud here by your grave

**Bb** **F** **Gm**  
Those angels can t ever take my place

But don t judge me so harsh little girl
