

Confetti

Tori Kelly

[Intro]

Am7 Bm7 Cma7 Dm7 Em7

[Verse 1]

I gotta keep myself in check sometimes
Cause I tend to dream real big sometimes
The fancy outfits and the sparkly awards
My name in lights, the people lined up at the doors
But I gotta remember to take it one step at a time

[Instrumental]

C#m7 Dm7 Cma7 E

[Chorus]

People seem to think
That you ll be happier, once you reach the top
You ll have it all
But I m livin for right now
Cause what if tomorrow never comes
I m not waitin, I m not waitin
For the confetti to fall

[Verse 2]

I can t just sit around and wait for my life to start
I can make a difference, put a little happiness in someone s heart
The fancy cars, the glitter and the fame
It s all nice but it won t be worth a thing
Love is bigger, so Imma stand up for love, yeah

[Chorus]

People seem to think
That you ll be happier, once you reach the top
You ll have it all
But I m livin for right now
Cause what if tomorrow never comes
I m not waitin, I m not waitin

For the confetti to fall

[Bridge]

If there was a rope stretching up to the sky
With all of my dreams at the very top, so high
I get so caught up in everything around me, movin quickly
I forget to cherish every single moment I receive
I forget about the climb, I just wanna get there
Don t wanna wait in line, even though it s so clear
That I m called to use patience on this journey that I m on
I know that I ll come out alive and it ll only make me stronger
Oh oh, while everybody s focused on the hype
Oh oh, oh oh... I ll be wonderin why we seem to think
You ll be happier, once you reach the top
You ll have it all
But I m livin for right now
Cause what if tomorrow never comes
I m not waitin, I m not waitin, no

[Chorus]

People seem to think
That you ll be happier, once you reach the top
You ll have it all
But I m livin for right now, hey
Cause what if tomorrow never comes
I m not waitin, I m not waitin
For the confetti to fall

[Outro]

I m not waiting to be happy
no no no no no no no
ooh, yeah
