

Silent

Tori Kelly

[Intro] **Em7 D/F# G C**  
**Em7 D/F# G Am**

**Em7 D/F# G C**  
Wake up in a new day, but it don t feel that new  
**Em7 D/F# G C**  
Same faces around me with the same point of view  
**Em7 D/F# G**  
Everything is perfect, and everything s okey  
**C**  
Just swallow the lies and let your emotions fade  
**Em7 D/F# G Am**  
But my heart won t be quiet, I feel a change

**Am C G**  
No more black and white, this life s too colorful  
**D/F# Am D**  
Beautiful, don t know know what lies ahead, but

**Em7 D/F# G D**  
I m ready now, it s time  
**Am**

Gotta go, gotta get out  
**Em D/F# G D**  
Leave my fear behind  
**Am**

Nothing left for me here, can t stick around  
**C Em G D**  
My dreams are loud and my heart wide awake  
**Am C**  
And all I know is I m not meant to be silent

( **Em7 D/F# G C** )

**Em7 D/F# G C**  
Wake up to a new voice telling me where to go  
**Em7 D/F# G C**  
sounds like i got no choice, but to keep on this road  
**Em7 D/F# G**  
Got my own opinion, my own words to say  
**C**  
Got my own vision so I know I can t stay  
**Em7 D/F# G Am**  
There s no looking back now, I feel a change

**Em7 D/F# G D**  
I m ready now, it s time

**Am**  
(Gotta go, gotta get out)

**Em D/F# G D**  
Leave my fear behind

**Am**  
Nothing left for me here, can't stick around

**C Em G D**  
My dreams are loud and my heart wide awake

**Am C**  
And all I know is I'm not meant to be silent

**Am C G**  
No more black and white, this life's too colorful

**D Am D**  
Beautiful, don't know what lies ahead, but

**Em7 D/F# G D Am**  
I'm ready now, it's time

**Em7 D/F# G D Am**  
leave my fear behind

**C Em G D**  
My dreams are loud and my hearts wide awake

**Am C**  
And all I know is, I'm not meant to be silent

( **Em7 D/F# G D Am** )

**Em7 D/F# G D Am**  
I'm ready now, it's time, yeah

**Em7 D/F# G D Am**  
Leave my fear behind me

**C Em G D**  
My dreams are loud and my hearts wide awake

**Am C**  
And all I know is, I'm not meant to be silent
