**Bm7 - Am7**

Whatever your searching for  
You won t find it here  
But I must admit something keeps pulling me back into your atmosphere  
I m really good at mistakes  
All the marks I left on the page  
They seem to never wanna disappear

**Bm7 - Am7**

Why do you still come around?  
When all I do is push, push, push you away  
I really wanna take a chance on you but I  
I hesitate

**Em7**

I m afraid to start

**Bm7**

Don t wanna break your heart

**C7M**

**F7M**

Just finish picking up the pieces from this mess

**Em7**

I never meant to hurt nobody

**Bm7**

But now I tend to move slowly

**C7M**

Cause if I ever slip on your fingertips

**F7M**

**E**

My name would be stained on your lips

**Bm7 - Am7**

(Oh ooh woah, Oh ooh woah)

**Bm7 - Am7**

Feels like everybody s watching  
To see what my next move is  
Do I proceed with caution or do I just dive in?  
But I m fine with taking it slow  
Enjoy life on my own  
But I can be confusing sometimes, I know

**Bm7 - Am7**

I m suprised your still around  
Baby all I do is push, push, push you away  
I really wanna take a chance on you but I

I need to make sure this isn't just a phase
