G Dm
And if I, find out

F Am
That you feel, the same way
As I do, I will love you
As soon as I can stand up straight, ohh

You got me walking sideways
Spinning all around
Dizzy because you flip my world
Upside down
Upside down

I ve been so confused
I wouldn t normally fall for someone quite like you
I m tripping over my own thoughts
But baby I really like you a lot

(I wonder if you feel the same)
If you feel the same way
(I wouldn t know just what to do)
Cause I can't even stand up straight
You got me walking sideways

You got me walking sideways
Spinning all around

Dizzy because you flip my world
Upside down
Upside down

Can somebody tell me why I feel this way
24/7 youâ€™re always on my brain
I canâ€™t really put my finger on it but
(You got me so twisted)

I ve had crushes before, but itâ€™s not the same
Something different about you, I canâ€™t explain
Baby youâ€™re making me insane
(You got me so twisted) (2x)

G Dm F Am (2x)

You got me walking sideways
Spinning all around
Dizzy because you flip my world
