

Worth It
Tori Kelly

This is my first tab, so it s pretty basic. But mess around with adding 7th s and 9th s to the F s and C s because I don t know they don t sound exactly like her performance at The Roxy. Comment if you have any suggestions.

If you want more of a resolution in the verses, instead of playing F s, Play D s, or vary them. I prersonally prefer it with the F s.

Follow me on Twitter for being so awesome! @hectorious21

Capo 1

[Verse 1]

Em C G F
Your time will come, thatâ€™s what theyâ€™d say to me
Em C G F
But itâ€™s really hard to listen when youâ€™d rather be liven your dream
Em C G F
Instead of always chasen Iâ€™ve seen so many sunsets
Em C G F
when will I see the sunrise ohhhhhh

[Bridge]

Am C G D
But I know Iâ€™m still learning, I know Iâ€™ll keep growin
G Am C
Baby I was born for this

[Chorus]

G Dm
Iâ€™m not gonna sit around and do nothing
F
but while Iâ€™m waiting
C G
I might as well just spill my heart out on these pages
Dm
and just be patient
F C G
Itâ€™ll all be worth it, itâ€™ll all be worth it in the end

G-Dm-F-C
(ad lib)

[Verse 2]

Em C G F Em C

Sometimes I feel like giving up, but now I know when the door is closed

G F Em
itâ€™s not the end no itâ€™s only the beginning,

C
but ima keep my head up high

G F
singing my song till the day I die, yeah

[Bridge]

Am C G D
But I know Iâ€™m still learning, I know Iâ€™ll keep growin
G Am C
Baby I was born for this

[Chorus]

G Dm
Iâ€™m not gonna sit around and do nothing
F
but while Iâ€™m waiting
C G
I might as well just spill my heart out on these pages
Dm
and just be patient
F C G
Itâ€™ll all be worth it, itâ€™ll all be worth it in the end

[Bridge Ad Lib]

Am C G D
Ohhhhhhhhhhhhhhhhhhhhh 2x (Or as many as your little heart desires)
Am C G D
But I know Iâ€™m still learning, I know Iâ€™ll keep growin
G Am C
Baby I was born for this

[Chorus]

G Dm
Iâ€™m not gonna sit around and do nothing
F
but while Iâ€™m waiting
C G
I might as well just spill my heart out on these pages
Dm
and just be patient
F C G
Itâ€™ll all be worth it, itâ€™ll all be worth it in the end

[Outro]

(ad lib)
G-Dm-F-C
