[Intro] **A A9 C#m**

```
B                      Ebm     G#m
I hear the drums echoin tonight
G#m/F#       A/E              E/F#       E/G#   A9  (A  A9)   C#m
She has only whispers of some quiet conversa - tion
B                Ebm        G#m       G#m/F#
She s coming in twelve thirty flight   the moolight winds
   A/E                 E/F#              E/G#  A9  (A  A9)   C#m
Reflect the stars that guide me toward salva-tion
B          Ebm          G#m
I stopped an old man along the way
G#m/F#           A/E        E/F#               E/G#   A9  (A  A9)  C#m
Hoping to find some old forgotten words of ancient melo-dies
B          Ebm     G#m                 A9                         ( A  A9  C#m
                                                                  )
He turned to me as if to say  hurry boy it s waiting there for you

F#m           D9              A9       E  E4 E
Gonna take a lot to drag me away from you
F#m                    D9            A9                E  E4 E
There s nothing that a hundred men or more could ever do
F#m         D9              A9     E  E4 E
I bless the rains down in    Africa
F#m           D9             A9             C#m E F#m E/G#
Gonna take some time to do the things we never   had

( A  A9  C#m )
( A  A9  C#m )

B             Ebm             G#m
The wild dogs cry out in the night
G#m/F#             A/E        E/F#        E/G#   A9  (A  A9)  C#m
As they grow restless longing for some solitary compa-ny
B          Ebm             G#m
I know that I must do what s right
G#m/F#       A/E            E/F#              E/G#  A9  (A  A9)   C#m
Sure as kilimangiaro rises like olimpus above the serangetti
B        Ebm           G#m
I seek to cure what s deep inside
G#m/F#         A                A9  ( A  A9   C#m )
Frightened of this thing that I ve become

F#m          D9              A9       E   E4 E
Gonna take a lot to drag me away from you
F#m                     D9            A9              E   E4 E
