(verse w/ riff a)

C Bb/D F Dm C Bb/D F Am C

Take me a picture of two lovers, show me the love was torn apart

Dm Dm/C Bb Am Gm

You made me fall in love with you, a dance of lovers takes two

C Bb F

Somehow the music stopped, and so did our love

I tried to put the pieces together, and I got a grip on my life  
 They say there s one born every minute who has all for a lifetime  
 What good is a lifetime if I can t be with you

Dm G Dm G Em A

I just wanna hold you, just wanna touch you, just let me love you

Bb Am Gm C#

When I see your face, my heart cries out for you

F C Bb F

I guess that fools never learn how to fall out of love

I do admit I really miss you, there are some things time cannot change  
 And I would be a liar baby, if I told you I didn t care  
 Cause it makes a difference, baby when you re not there
