

Stop Loving You

Toto

**G** **F/G**  
Reflections in my mind, thoughts I cant define  
**G** **F** **Em/C**  
My heart is racing and the night goes on  
**G** **F/G**  
I can almost hear a laugh, coming from your photograph  
**G** **F** **Em/C**  
Funny how a look can share a thousand meanings  
**G** **F/G**  
Well-intended lies, contemplating alibies  
**G** **F** **Em/C**  
Is it really you, or is it me Im blaming  
**G** **F/G**  
A distant memory flashes over me  
**G** **G** **F** **Em/C** **Bb-C**  
Even though youre gone, I feel you deep inside  
**C** **Bb** **Am** **G**  
Dance beneath the light with that look in your eyes

Chorus:

**F Bb Dm** **C** **F** **Bb** **Dm** **C**  
I cant stop loving you, time passes quickly and chances are few  
**F Bb Dm** **C** **Bb**  
I wont stop till Im through loving you, girl

**G** **F/G**  
Theres a window in a heart, Ive tried to look through from the start  
**G** **F** **Em/C**  
Youre never really sure what someone else is thinking  
**G** **F/G**  
Someones broken something new, another altered point of view  
**G** **F** **Em/C**  
Just a certain someones conscience playing  
**G** **F/G**  
I held it in my hand, I did not understand  
**G** **F** **Em/C**  
What lives inside the wind that cries her name  
**G** **F/G**  
Tried to catch a shooting star, what seems so close cant be that far  
**G** **F** **C** **Bb-C**  
Im living in a dream thats never ending  
**C** **Bb** **Am** **G**  
Dance beneath the light with that look in your eyes

Chorus:

**F Bb Dm** **C** **F** **Bb** **Dm** **C**

I cant stop loving you, time passes quickly and chances are few

**F Bb Dm C Bb**

I wont stop till Im through loving you, girl
