TOTTY (Australia)

[Verse 1]

D **G**
On the road
Bm **A**
With my best friends
D **G**
We re gettin old
Bm **A**
I don t want this time to end
D **G**
Drivin though
Bm **A**
In the fast lane
D **G**
It s just me and you
Bm **A**
Been on the road so long my eyes are strained

[Chorus]

G **A**
And I think that I m losing sleep
G **Bm**
Cause I m always up
G **A**
Too long past midnight
G **A**
But if I know, it s alright

G **A**
And I think that I m losing sleep
G **Bm**
Cause I m always up
G **A**
Too long past midnight
G **A**
But if I know, it s alright
