

Uncomfortable
TOTTY (Australia)

[Chorus] (x2)

F# **B**
I tried to listen
D#m
All you do is shout
B
Try to hear it my way
F#
Let's hear each other out

[Verse 1]

F# **B**
Don't know what to say now
D#m
Don't know what to do
B
Never feel like I'm good enough
F#
Good enough for you
B **D#m**
(Accepting?) responses made me feel like I'm all wrong
B **F#**
Untie the rope, stop stringing me along

[Chorus] (x2)

B
I tried to listen
D#m
All you do is shout
B
Try to hear it my way
F#
Let's hear each other out

[Verse 2]

B
Tell me that I'm crazy
D#m
Tell everyone it's me
B
Got another side to you
F#
That no one else can see
B
Didn't think I'd live without you
D#m
Didn't think I would

B

Never thought Iâ€™d walk away

F#

Never thought I would

[Chorus] (x2)

B

I tried to listen

D#m

All you do is shout

B

Try to hear it my way

F#

Letâ€™s hear each other out

[Verse 3]

B

Overbearing consequences

D#m

Yeah, Iâ€™ve heard it all

B

Build me up and break me down

F#

Make me feel so small

B

Narcissistic jealousy

D#m

Iâ€™ve seen it all go down

B

F#

Throw me underwater, let me drown
