

Like Em Young

Tove Lo

D

Hey boy, you re to young for me but I don t care cause you are all I see

G

I like em young I-I like em young

D

Eyes wide oh, you re so naive Thinkin no one knows better than me

G

I like em young I-I like em young

D

People make me wonder Age is just a number

G

That they don t think about That s all I think about

D

I like em young I like em young.

G

I like em young Young like me with a mind so we see!

D

I like em young I like em young.

G

I like em young Young like me with a mind so we see! I like em.

D

Hey girl, why you re judging me? When your, your guy is turning 53

G

I like em young I-I like em young

D

I don t know what really gets you more Is it that my guy is gonna live out yours?

G

I like em young I-I like em young They say they don t give but I

D

I can tell you re lying cause we are slowly dying

G

trying to work it out And all I think about

D

I like em young I like em young.

G

I like em young Young like me with a mind so we see!

D

I like em young I like em young.

G

I like em young Young like me with a mind so we see! I like em.

D

D

Life! I live mine Love! Not one kind

G

All is fare in love and war My manners out the door Why do I need them for?

D

I like em young I like em young.

G

I like em young Young like me with a mind so we see!

D

I like em young I like em young.

G

I like em young Young like me with a mind so we see! I like em young!
