

Out Of Mind

Tove Lo

F#m **D**

Lovers, into friends

A **E**

Move on, to strangers

F#m **D**

Let go, no more us

A **E**

Move on, I m trying

F#m **D**

Denying, Saying Time will heal

A **E**

Keep lying, To make me feel

F#m **D**

I m okay, so you believe

A

I d forget you

E

Seriously?

(**F#m** **D** **A** **E**)

Are you kidding me?

C#m

You re out of your

D

You re out of your

E **F#m**

You re out of your mind to think that I

C#m

You re out of your

D

You re out of your

E **F#m**

You re out of your mind to think that I

A **F#m**

To think that I could keep you

D

Out of mind

F#m **D**

Happy, used to be

A **E**

Together, you and me

F#m **D**
Things die, drift apart

A **E**
Wait for a new start

F#m **D**
Denying, Think you ll fade away

A **E**
Keep lying, I can hear you say

F#m **D**
You re in touch with reality

A
Baby, I say

E
Are you kidding me?

C#m
You re out of your

D
You re out of your

E **F#m**
You re out of your mind to think that I

C#m
You re out of your

D
You re out of your

E **F#m**
You re out of your mind to think that I

A **F#m**
To think that I could keep you

D
Out of mind

C#m **D**
How can you say I ll be alright?

E **F#m**
What makes you think that I ll be fine?

C#m **D**
Baby you have to be completely out of your

E **F#m**
You re out of your mind

A **F#m** **D**
To think that I could keep you out of mind

C#m
You re out of your

D
You re out of your

E **F#m**
You re out of your mind to think that I

C#m

You re out of your

D

You re out of your

E **F#m**

You re out of your mind to think that I

A **F#m**

To think that I could keep you

D

Out of mind
