

**This Time Around**  
**Tove Lo**

[Verse 1]

**Em** **G**  
I used to take your breath away  
**Em** **G**

**Em** **G**  
You used to lean your eyes on me

And I don t even mean it  
**D** **A**  
Got my hands all over you, but not a sound  
**Em** **G**  
I m always so in love, all in  
**D** **A**  
Till I start going numb thinking  
**Em** **G**  
Thought you d make me feel it

You said I was the missing part
