

At My Window

Townes Van Zandt

Method I - Submitted by Detlef Philipp

Eb

At my window

G#

watching the sun go

Bb

hoping the stars know

G#

Eb

it s time to shine

Eb

daydreams

G#

aloft on dark wings

Bb

soft as the sun streams

G#

Eb

at days decline

Bb

Living is laughing

G#

Eb

dying says nothing at all

Bb

baby and I are laying here

G#

Eb

watching the evening fall

Time flows

through brave beginnings

and she leaves her endings

beneath our feet

walk lightly

upon their faces

leave gentle traces

upon their sleep

Living is dancing

dying does nothing at all

baby and I are laying here

wathing the evening fall

Three dimes

hard luck and good times

fast lines and low rhymes

ain t much to say
Feel fine
feel low and lazy
feel grey and hazy
feel far away

Living is sighing
dying ain t flying so high
baby and I are lying here
watching the day go by
