Your eyes seek conclusion in all this confusion of mine  
**G#** **C#**  
But you and I both know it s only the warm glow of wine  
**F#**  
That s got you to feelin this way  
**C#**  
But I don t care I want you to stay

Hold me and tell me you ll Be Here To Love Me today.

The children are dancin the gamblers are chancin their all  
The window s accusin the door of abusin the wall  
But who cares what the night watchmen say  
The stage has been set for the play  
So hold me and tell me you ll Be Here To Love Me today.

The moon s come and gone but a few stars hang on to the sky  
Where the wind s runnin free but it ain t up to me to ask why  
But the poets are demandin their pay  
They ve left me with nothin to say  
Cept hold me and tell me you ll Be Here To Love Me today.
