Your eyes seek conclusion in all this confusion of mine
F **Bb**
But you and I both know it s only the warm glow of wine
Eb
That s got you to feelin this way
Bb
But I don t care I want you to stay
F **Eb** **Bb**
Hold me and tell me you ll Be Here To Love Me today.

The children are dancin the gamblers are chancin their all
The window s accusin the door of abusin the wall
But who cares what the night watchmen say
The stage has been set for the play
So hold me and tell me you ll Be Here To Love Me today.

The moon s come and gone but a few stars hang on to the sky
Where the wind s runnin free but it ain t up to me to ask why
But the poets are demandin their pay
They ve left me with nothin to say
Cept hold me and tell me you ll Be Here To Love Me today.
