

Blue Wind Blew
Townes Van Zandt

C

Well the blue winds blown my dreams away

F

My darling s flown and she s gone to stay.

C

All I got now is yesterday

G

And I don t know what to do.

C

Well I guess I ll go downtown and see

F

Just what downtown can do for me

C

Maybe set my lonesome free

G

Or maybe let me go.

I loved her true and I told her so
I ask her too and she told me no.
She said she had somewhere to go
and in the end she said: Goodbye

Well I wonder how long it can go on
How long I ll sing this same old song
I wonder which one done us wrong
Which one forgot to try.
I loved her true and I told her so
I ask her too and she told me no.
She said she had somewhere to go
and in the end she said: goodbye.

Instrumental

I love you true and I told you so
I ask her too and she told me: no
She says she had somewhere to go
And in the end she said: goodbye.
