

Blue Wind Blew
Townes Van Zandt

B

Well the blue winds blown my dreams away

E

My darling s flown and she s gone to stay.

B

All I got now is yesterday

F#

And I don t know what to do.

B

Well I guess I ll go downtown and see

E

Just what downtown can do for me

B

Maybe set my lonesome free

F#

Or maybe let me go.

I loved her true and I told her so

I ask her too and she told me no.

She said she had somewhere to go

and in the end she said: Goodbye

Well I wonder how long it can go on

How long I ll sing this same old song

I wonder which one done us wrong

Which one forgot to try.

I loved her true and I told her so

I ask her too and she told me no.

She said she had somewhere to go

and in the end she said: goodbye.

Instrumental

I love you true and I told you so

I ask her too and she told me: no

She says she had somewhere to go

And in the end she said: goodbye.
