G C G
I heard her sing in tongues of silver
G D G
I heard her cry on a summer storm
C G
I loved her, but she did not know it
D G
So I don't think about her anymore
C G
Now she's gone, and I can't believe it
D G
So I don't think about her anymore

G C G
If three and four were seven only
D G
Where would that leave one and two
C G
If love can be and still be lonely
D G
Where does that leave me and you?
C G
Time there was, and time there will be
D G
Where does that leave me and you?

G **C** **G**
If I had a buckskin stallion
D **G**
I d tame him down and ride away
C **G**
If I had a flyin schooner
D **G**
I d sail into the light of day
C **G**
If I had your love forever
D **G**
Sail into the light of day

G **C** **G**
Pretty songs and pretty places

D **G**
Places that I ve never seen
 C **G**
Pretty songs and pretty faces
 D **G**
Tell me what their laughter means
C **G**
Some look like they ll cry forever
 D **G**
Tell me what their laughter means

G **C** **G**
If I had a buckskin stallion
 D **G**
I d tame him down and ride away
 C **G**
If I had a golden galleon
 D **G**
I d sail into the light of day
C **G**
If I had your love forever
 D **G**
Sail into the light of day
