I can turn those little teardrops to a smile

Well, if you re blue don t cry

just wander right downtown

you can find your delta mama waitin there

Well, I thought you knew that I

would never let you down

I can ease your mind and take away your cares

Come away with me,

my little delta boy

I wanna be your delta mama for awhile

And if you stay you ll see

that I bring you lots of joy

I turn those little teardrops to a smile

Well, if the grass goes brown

don t you hang your head too low

Well, there ain t no need for you to sit and pine

If you ll just ask around

I m sure someone will know

just exactly what it takes to get you back to feelin fine

Well, if you don t know by now

what I ve been tryin so hard to say

Well my delta boy I m afraid you re up to tight

but you take it slow and somehow

you come meandering out my way

and I ll take you in my arms and make it right

Ah, come away with me,

my little dleta boy

I wanny be your delta mama for awhile

And if you stay you ll see

that I bring you lots of joy

I turn those little teardrops to a smile
