

Flyin Shoes

Townes Van Zandt

G **Am**
Days full of rain
D **C** **G**
sky s comin down again
F **C** **Am**
I get so tired
G **Am**
of these same old blues
G **Am**
same old song
D **C** **G**
Baby, it won t be long
F **C** **Am**
fore I be tyin on
G **Am**
my flyin shoes
G **Am**
flyin shoes
F **C** **Am**
till I be tyin on
G **Am**
my flyin shoes

same progression with other verses.....

Spring only sighed
summer had to be satisfied
fall is a feelin that I just can t lose.
I d like to stay
maybe watch a winter day
turn the green water
to white and blue
flyin shoes
flyin shoes
till I be tyin on
my flyin shoes

The mountain moon
forever sets too soon
bein alone is all the hills can do
alone and then
her silver sails again
and they will follow
in their flyin shoes
flyin shoes
they will follow in their
flyin shoes

Days full of rain
skys comin down again
I get so tired
of the same old blues
same old song
Baby, it won t be long
till I be tyin on
my flyin shoes
flyin shoes
till I be tyin on
my flyin shoes
