

Greensboro Woman
Townes Van Zandt

Bb **Eb** **Bb**
Greensboro woman don t you smile on me

Eb **F**
I do not feel like being comforted

Bb
Anyway I ll be home soon

Eb **Bb**
For once there s someone waitin there

And if you don t mind
Eb **Bb**
I ll just think on her instead

Your face she s a picture babe
but pictures ain t what I crave
I don t feel this way most generally
I just put a thousand miles tween me
And where my thoughts do lie
I d thank you kindly baby
If you d kindly let me be

Your car she s smooth and fast
Babe your bourbon s fine
But I ain t feelin free and clear today
Texas lovin layin on my mind
I couldn t do you right babe
Spinnin round this way

So Greensboro woman don t you smile on me
I do not feel like being comforted
Anyway I ll be home soon
For once there s someone waitin there
And if you don t mind
I ll just think on her instead
