(C) Hey Willie boy (F)what you gonna (C)do  
(G)When the wind blows cold  
The (F)moon turns (C)blue  
Build me a fire  
Gonna (F)dance and (C)sing  
**A (G)**little bit of winter don t (F)mean **A (C)**thing  
repeat

chorus:

(C) Hey Willie (F)how you gonna (C)feel  
.....  
(G)It s time to go to sleep (F)right (C)now

Hey Willie when the birds arrive  
the flowers bloom  
while the clouds float by  
Tell my puppies  
and my turtles and things  
all Gods children need a little spring  
all Gods children need a little spring

Hey Willie boy where you gonna go  
when the grass gets sticky  
and the wind blows slow  
Down to the river  
gonna jump right in  
a little bit of summer can t be no sin  
a little bit of summer can t be no sin

Hey Willie how you gonna feel  
when the leaves turn gold  
beneath your heels  
Twirl and spin never gonna fall  
fallin just won t do at all  
no that wouldn t do at all

Hey Willie boy how you gonna feel  
Hey Willie boy where you gonna go  
Hey Willie boy what you gonna do  
It s time to go to sleep right now  
It s time to go to sleep right now
