

**I'll Be Here In The Morning**  
**Townes Van Zandt**

[Verse 1]

**C** **F** **C**  
There s no stronger wind than the one that blows down a lonesome railroad line  
**G7**  
No prettier sight than lookin back at a town you left behind  
**C** **F** **C**  
But there s nothin that s as real as the love that s in my mind.  
**G7** **F**  
Close Your Eyes I ll Be Here In The Mornin  
**G7** **F** **Am** **G7**  
Close your eyes I ll be here for awhile.

[Verse 2]

There s lots of things along the road I d surely like to see  
I d like to lean into the wind and tell myself I m free  
But your softest whispers louder than the highway s call to me  
Close Your Eyes I ll Be Here In The Mornin  
Close your eyes I ll be here for awhile.

[Verse 3]

All the mountains and the rivers and the valleys can t compare  
To your bluely dancin eyes and yellow shinin hair  
I could never hit the open road and leave you lyin there  
Close Your Eyes I ll Be Here In The Mornin  
Close your eyes I ll be here for awhile.

[Verse 4]

Aw lay your head back easy love and close your cryin eyes  
I ll be layin here beside you when the sun comes on the rise  
And I ll stay as long as the cuckoo wails and the lonesome Blue Jay cries.  
Close Your Eyes I ll Be Here In The Mornin  
Close your eyes I ll be here for awhile.
