

Lovers Lullaby  
Townes Van Zandt

-----  
Submitted by Christof  
-----

**D**                    **A**                    **G**  
Dreams that have flown down the hall  
**D**                    **G**                    **D**  
tears that were sown on despair  
**G**                    **D**  
summer s turned fall  
                  **G**                    **D**  
it don t matter at all  
                  **D (Bm)**                    **G**                    **D**  
when I wake and find you lying there  
                  **A**                    **G**                    **D**  
Sweet silence and soft auburn hair

Blues gonna dance through the sky  
time s gonna roll soft as rain  
sigh after sigh is gonna pass by and by  
ah love s gonna fly on the wind  
when I gaze into your brown eyes again

Ref.:

**G**                    **D**  
All the things I ve seen  
                  **G**                    **D**  
and the places that I ve been  
**Bm**                    **G**                    **D**  
don t mean a thing since I found you  
**G**                    **D**  
all that matters now  
                  **G**                    **D**  
since I ve won your love somehow  
                  **Bm**                    **G**  
are these plans I keep makin  
                  **F#m**                    **A**  
not to lose you

So sleep till the moon slips away  
I m hopin all you re dreamin comes true  
when you rise with the day  
I might not have too much to say  
but you know that doesn t mean  
that I don t love you  
ah you know that doesn t mean  
that I don t love you

Ref:

All the things I ve seen  
and the places that I ve been  
don t mean a thing since I found you  
all that matters now  
since I ve won your love somehow  
are these plans I keep makin  
not to lose you

Dreams that have flown down the hall  
tears that were sown on despair  
summer s turned fall  
it don t matter at all  
when I wake and find you lying there  
Sweet silence and soft auburn hair  
Sweet silence and soft auburn hair
