Rexs Blues
Townes Van Zandt

[Verse]

```
Eb                    G#         Eb
Ride the blue wind high and free
                             G#      Eb
she ll lead you down through misery
                    G#        Eb
leave you low, come time to go
        G# G#4 G#          Eb
alone and low as low can be

                         G#       Eb
If I had a nickel I d find a game
                     G#       Eb
If I won a dollar I d make it rain
                       G#          Eb
If it rained an ocean I d drink it dry
        G# G#4 G#            Eb
and lay me down dissatisfied
```

[**Eb4 Eb Eb4...** just do sthg, with some G too]

```
F              Bb            F
Legs to walk and thoughts to fly

eyes to laugh and lips to cry
                    Bb        F
a restless tongue to classify
        Bb Bb4 Bb            F
all born to grow and grown to die
```

[**F4 F F4**, gain...]

tell my mother I did no wrong
                   Bb          F

and tell my friends to mourn me none
```

```

feelin full of foolish rhyme
