Rexs Blues
Townes Van Zandt

[Verse]

```
C#                      F#        C#
Ride the blue wind high and free
                             F#      C#
she ll lead you down through misery
                   F#        C#
leave you low, come time to go
         F# F#4 F#          C#
alone and low as low can be
```

```
                        F#        C#
If I had a nickel I d find a game
                      F#        C#
If I won a dollar I d make it rain
                        F#          C#
If it rained an ocean I d drink it dry
         F# F#4 F#          C#
and lay me down dissatisfied
```

[**C#4 C# C#4**... just do sthg, with some G too]

```
Eb              G#            Eb
Legs to walk and thoughts to fly
               G#         Eb
eyes to laugh and lips to cry
                  G#        Eb
a restless tongue to classify
         G# G#4 G#            Eb
all born to grow and grown to die
```

[**Eb4 Eb Eb4**, gain...]

```
Eb                 G#        Eb
So tell my baby I said so long
                 G#         Eb
tell my mother I did no wrong
                  G#           Eb
tell my brother to watch his own
         G#       G#4 G#        Eb
and tell my friends to mourn me none
```

[**F# F#4 F#**...]

```
F#                      B        F#
I m chained upon the face of time
                  B        F#
```

```
feelin  full of foolish rhyme
                        B          F#
there ain t no dark till something shines
            B4    B                 F#
I m bound to leave this dark behind

Eb                    G#          Eb
Ride the blue wind high and free
Eb                              G#     Eb
she ll lead you down through misery
                    G#        Eb
leave you low, come time to go
          G# G#4 G#              Eb
alone and low as low can be
```
