

The Catfish Song
Townes Van Zandt

Submitted by Hampus

G C G
Down at the bottom of that dirty old river
D C G
Down where the reeds and the catfish play
G C G
There lies a dream as soft as the water
G C G
There lies a bluebird that s flown away

G C G
To meet is like springtime, to love s like the summer
D C G
Her brown eyes shone for nobody but me
G C G
In autumn forever the fool come a-fallin
G C G
And the rain turned to freezing inside of me

G C G
I ll kindle my fires with the words I can t send you
D C G
And the roads I can t follow and the songs I can t sing
G C G
I ll wander alone on the sleighbells of winter
G C G
With the stars for a diamond and the world for a ring

G C G
Well all you young ladies who dream of tomorrow
D C G
While you re listening these words will I say:
G C G
Cling to today with its joy and its sorrow
G C G
You ll need all your memories when youth melts away

G C G
The angel of springtime he rides down the south wind
D C G
The angel of summer, he does just the same
G C G
The angel of autumn, she s blue and she s golden
G C G

And the angel of winter won't remember your name
