

F#	B	F#
Down at the bottom of that dirty old river		
C#	B	F#
Down where the reeds and the catfish play		
F#	B	F#
There lies a dream as soft as the water		
F#	B	F#
There lies a bluebird that s flown away		

F# **B** **F#**
 To meet is like springtime, to love s like the summer
C# **B** **F#**
 Her brown eyes shone for nobody but me
F# **B** **F#**
 In autumn forever the fool come a-fallin
F# **B** **F#**
 And the rain turned to freezing inside of me

F#	B	F#
I ll	kindle my fires with the words I can t	send you
C#	B	F#
And the roads I can t follow and the songs I can t sing		
F#	B	F#
I ll	wander alone on the sleighbells of winter	
F#	B	F#
With the stars for a diamond and the world for a ring		

F# **B** **F#**
 Well all you young ladies who dream of tomorrow
C# **B** **F#**
 While you re listening these words will I say:
F# **B** **F#**
 Cling to today with its joy and its sorrow
F# **B** **F#**
 You ll need all your memories when youth melts away

F#	B	F#
The angel of springtime he rides down the south wind		
C#	B	F#
The angel of summer, he does just the same		
F#	B	F#
The angel of autumn, she s blue and she s golden		
F#	B	F#

And the angel of winter won t remember your name
