**A**                    **D**                    **A**  
Down at the bottom of that dirty old river

**E**                                    **D**                    **A**  
Down where the reeds and the catfish play

**A**                                    **D**                    **A**  
There lies a dream as soft as the water

**A**                                    **D**                    **A**  
There lies a bluebird that's flown away
